SUPPLEMENTAL MEMORANDUM

RECOMMENDATION

Approve the Good Neighbor Committee purpose and structure as outlined in our May 8, 2009 memorandum to City Council, and approve the membership as listed on page 2 of this memorandum.

This supplement responds to feedback we have received since the release of our May 8th memorandum. It provides for more community participation in the Good Neighbor Committee, through the inclusion of one representative for each of four neighborhoods in the Diridon Station Area, including the Greater Gardner NAC, the Willow Glen Neighborhood Association, the St. Leo's neighborhood, and the Parkside Home Owners Association.
